#1038

CD
\$14.98

THE ARTISTS: Farmboy is Tom Skinner's touring band. The band features Skinner (Skinner Brothers, Santa Fe), Jeff Parker (Coyote Zen), Eric Hanson (Jimmy LaFave Band) and John Buckner. Their live shows are legendary.

THE RECORD: Farmboy represents the electric side of Tom Skinner. The record contains 9 live cuts including several scorching covers of songwriters like Leon Russell and Steve Earle. The CD also contains 4 studio tracks including Skinner's most requested title, "Skyline Radio". The CD is produced by Jeff Parker (Cross Canadian Ragweed).

MARKETING: Farmboy is targeted towards the Americana and Country/Rock markets. The CD is being supported by a print campaign in *No Depression*, *Dirty Linen*, and *Sing Out* magazines. Farmboy is being serviced to public radio and non-commercial country (Americana) stations. Songs from the CD will be featured on the upcoming Binky/Squirrel/UTR Records Sampler #4 and on the Binky Records website (www.BinkyRecords.com).
